Welcome

Welcome to the sia Abrasives UK (Fibral and sia GB) celebratory day held in recognition of 125yrs of Robert Bosch, the company and 150 years of the anniversary of Robert Bosch, the man.

2011 is a special year for both sia and Bosch since it represents 10 years of sia Abrasives operating at the Greetland site and 125years' operation of Robert Bosch GmbH.

In recognition of these events you find yourselves here today, 24 June 2011, coming together as not only associates and colleagues, but friends and family of the sia/Bosch group worldwide.

Each Bosch site globally is holding an event this year in recognition of the 125yr anniversary of the company and each could celebrate the day as they found suitable.

Our traditional German-themed day was chosen to celebrate Bosch's achievements whilst also thanking you for all your hard work and endeavours so far this year.

In addition a raffle will be held to raise funds for the Bosch UK Children in Need appeal 2011. Our collective target of £125,000 is ambitious yet achievable with your active support and collaboration.
